devin@urbantreeconnection.org

Registration opens May 8th!  
(Can register at any time throughout season at a prorate)

The Neighborhood Foods CSA is a 12-week (West Philly YMCA) or 24-week (Neighborhood Foods Farm) mixed vegetable CSA running mid-June through October.  
Our CSA features greens, roots, herbs, tomatoes, & other seasonal favorites from our farm.  
Occasionally we will supplement shares with produce from other farms depending on what is in season.

What is a CSA? Why Should I Join?

- **CSA** stands for **Community Supported Agriculture.** You sign up to receive a bag of produce from our farm at a set rate (weekly, monthly, etc) when the season begins. This bag is called your share (a portion of the farm’s pre-selected harvest), which you pick up at your selected time/location throughout the season. We pack up 5-7 pieces of our freshest, seasonal, locally grown produce for you to take home!
- As a member of the Neighborhood Foods Farm CSA, you will receive the best of our harvest each week. Not only will you be prioritizing your own health with our fresh produce, you’ll be helping to keep our farm running and supporting the empowerment of the Haddington community. Be a part of building food access programs in West Philadelphia!
